Two stages to due date:

DUE DATE 1: Make appointment and meet with your faculty advisor by Sept 23

DUE DATE 2: Get your curriculum plan approved by your faculty advisor and turn in hard copy in class – Sept 30

You need to have a curriculum plan approved by your advisor and the co-op office prior to registering for Spring 2009. This assignment has 2 stages.

Stage 1: Make an appointment and meet with your faculty advisor to talk about your curriculum plan. This meeting must take place prior to Sept 23. Therefore, you need to contact your advisor PRIOR to Sept 23.

Stage 2: Take your curriculum plan back to your faculty advisor for an approval signature. This needs to be done by Sept 29 so you can turn in a hard copy of your signed plan on Sept 30.
